International Circular Of Photography

AUTUMN CIRCUIT 2021

"GPA"

GRADAC
PHOTO GROUP
INTERNATIONAL

Schmidt Barbara, EFIAP, EPSA, GPU VIP1, Germany

Ms. Barbara Schmidt graduated in Administrative Sciences and worked for 40 years as a civil servant. She hails from Ruhr area, Germany, and there and all over the world she has been on the road with her Fuji XT2 since 2014. As a self-taught photographer with various interests in photography, she does not visit places with some specific pictures in mind. And comes back with pictures of common subjects presented in her own unique point of view. This approach has helped her beat the stereo-type and come up with unique and successful images. Shapes, lines and colors presented in everyday life interests her, special in genres Architecture, Landscape, People, Nature, Travel, Street and Animals. Since 2016 she has won more than 800 awards and 8000 recognitions, her images are shown in many countries worldwide. Since 2019 she also has been a member of jury in more than 300 sections in international Salons.

Retter Silvana, EFIAP, GPU VIP2, Romania

Silvana Retter is an Romanian/German National & International Award winning photographer and Jury, living in Germany. Educated in Journalism, she begun her career as a news reader at a local TV station, in Romania. She discovered her passion for photography back in 2006, when she bought her first Canon camera. Many of her pictures speak about the feelings and moods she felt during her trips over the last few years, also about the emotions of people she met and photographed. Being an intuitive and spontaneous person, she like to convey warm feelings. "I'd like for people to understand photography and its fine art – the mood, the emotion, the delicateness of a particular moment, the lighting, and the photographer's decision on how to frame it, to capture its essence." "I don't shoot what it looks like, I shoot what it feels like." Photographic Distinctions: EFIAP, EAAFR, GPU VIP-2, GPU CR.3, Art. AAFR, Hon.FPI, HFGNG, Hon.F TPAS, Hon. WPAI

Hausdoerfer Frank, EFIAP, MPSA, GPU VIP2, Germany

Frank Hausdörfer was born in East Germany in 1966. The western part was only 1 km away and was inaccessible until 1989. This "impotence" caused a wanderlust, which became the driving force for many trips. His work is characterized by seeing things that others do not pay attention to. The skilful use of depth of field and the play with light and shadow enable the photo artist to take very special snapshots, some of them "tell stories". The German does not see himself as a hobby or professional photographer, but rather as a photo artist, since he has never learned this profession. After the reunion of Germany, he has worked as a freelance journalist reporting sports and local news. Because of shutting down most of the daily newspapers, he studied social pedagogy. In 2006 he started focusing on model photography in his spare time. The Thuringian is known worldwide for his spectacular landscape photos - especially from South America. Hausdörfer was able to convince jurors from 34 countries with 100 different pictures. He has won over 700 awards, including more than 250 medals, in the past five years. In the last time he has also been a member of the jury in over 30 circuits. For example, the "Image of the Year" 2018 at PSA or the "ASIA SUPER CIRCUIT" 2019 organized by the APU, where 3 to 4 thousand images are submitted each month. In addition to the MPSA and EFIAP, Hausdörfer was able to achieve the Distinction GPU CR4, C *** MOL, and R-ISF 10, which very few photographers in the world achieved.

FIAP BLUE BADGE

Strapec Michael, EFIAP/b
Republic of Ireland

I was born in Dolny Kubin in Slovakia but living in Ireland since 2006.. Here I made my first photography steps around 2012.. In 2016 I decided to join local photography club to meet people with same interests and also tried to improve my photography skills.. I opened the right door.. The door into the world of art photography! I decided to go my own way and create my own style.. I love fine art and creative portrait photography.. That's my passion, my obsession! I love images with feeling and emotion. Images with the soul.. In salons and exhibitions I've been awarded the the IPF and SACC photographer of the year 2o2o in Ireland.. The biggest success was to win the first place in "Mental health International exhibition of photography" in Iran in 2021.. Where one of my images took the first place out of 30,000 images.. Also I've been awarded several times with the FIAP blue pin for the best author.. And thats always amazing achievement for me..
