Tomulic Aleksandar, EFIAP, Croatia

Born in Rijeka (Croatia) in 1967. In 1991 receives a diploma from the University of Technology in Rijeka where he lives and works. Seriously involved with photography since 2004 although he was interested in taking pictures from childhood. The magic of the unrepeatable frozen moment fascinates him as does the feel for light, composition and the split second, although he personally prefers street photography and seaside motifs, and likes to experiment with abstractions. In year 2010 became Artist FIAP (AFIAP) and Excellence FIAP (EFIAP) in 2012. He is an active member of Fotoklub Color Rijeka and Fotoklub Pag. He had 15 one-man shows, participated in over 540 group shows and received over 400 awards out of which his 59 gold medals at FIAP and PSA salons in India, Netherlands, Portugal, Uganda, Guatemala, Bulgaria, Montenegro, Serbia and Croatia should be especially emphasized. He was a selector or a jury member at around 15 FIAP and PSA photo salons or other photo contests and was included by the Croatian Photo Association ten times in the national selection for FIAP Biennale. He has had photographs published in books, on book covers and catalogues as well as in photo magazines and calendars. Since 2013 he has worked also as an instructor in photography and giving classes and workshops.

Radovanovic Radenko, F1 FSS, Serbia

Born in Cacak in 1959, where he finished high school. In 1978. entered the world of photography, where he stayed to this day. Within FKK CACAK work on educating young members and participate in domestic and international photo contests

Stjepcevic Roko, Montenegro

Roko A. Stjepcevic. I was born on May 23, 1962 in Kotor. I am a mechanical technician by profession. I live and work in Tivat-Donja Lastva. I gained my first knowledge of photography by completing a course for photo and cinema amateurs in the Photo, Cinema and Video Club "Mladost" Donja Lastva in 1976. At first I participated in photography exhibitions at the Festival of Young Technicians throughout SFR Yugoslavia. I participated in many collective exhibitions of photography organized by the Photo Association of Yugoslavia in Tivat, Priboj, Titograd, Zagreb, Belgrade, Cacak, Sarajevo, Herceg Novi, Niksic, Bijelo Polje, etc. I also had a solo exhibition in Gornja Lastva. I have won several awards and commendations at photography exhibitions, and I am a first-class amateur photographer.

FIAP BLUE BADGE

Chan Ching Ching
Hong Kong

My name is Ching Ching Chan from Hong Kong and I am honored and humbled to be selected as the best author of Salon Cacak. As a housewife, I have always been interested in different art forms and wanted to find my own little world. A few years ago, I got a chance to know more about photography and since then, I feel like I have finally discovered a medium to express myself. For the past few years, I am lucky to bring my camera around the world. In every country, I have learnt something about life, something about love and something about relationships through my lens. And by capturing different moments and emotions while exploring their culture, my soul has been fulfilled. I enjoyed learning through different competitions, and the process allowed me to make some good companions and improve with them. I am extremely honored to receive this recognition in the field of photography. It has been a huge encouragement and I will continue to work hard humbly. Comments from everyone will always be priceless treasures to my development and are always welcome. I put my heart and passion in my photography and I hope it shows in my work. Last but not least, everything will not be possible without family's support so I would like to take this opportunity to thank them.
