## FIAP BLUE BADGE

**Hui Geoffrey, EFIAP**  
Australia

As an enthusiastic amateur photographer and seasoned architect with over 40 years of experience, I find that photography perfectly complements my career. My passion lies in capturing the beauty of nature, wildlife, landscapes, and travel. Now semi-retired, I dedicate significant time to honing my skills and exploring new artistic horizons.

My architectural background infuses my photography with a disciplined approach, emphasizing shape, geometry, and light. My photographic journey began during university, inspired by the history and art of the medium. Since then, I have been actively involved in the photography community, joining the Mount Gravatt Photographic Society in 2018 and the Australian Photographic Society (APS) in 2020, where I subsequently earned the MAPS honour through exhibitions. In 2024, through international competitions, I also attained EFIAP distinction with the Fédération Internationale de l'Art Photographique.
