**Debevec Igor, EFIAP/d1, MPSA2, GPU CR5, Slovenia**

Igor Debevec comes from Slovenia. His first attempts in photography date back to 1980 and since then photography has become his way of seeing the world around us. For Igor, photography means passion and joy, with it he can stop time and create memories at the same time. It offers him own view of the world.

So far, he has exhibited in FIAP/PSA exhibitions in 80 countries and received 960 awards in 50 countries. He holds various photographic titles in eleven international organizations. In 2021, the Colleague Society International USA awarded him the title of GWP.ICS - Grand World Photographer ICS as the sixth photographer in the world. His photographs have been published in various international photographic almanacs, and he has exhibited in galleries in Skopje, Sarajevo, Durban (South Africa), Dhaka (Bangladesh), Colombo (Sri Lanka) and China (Guangzhou, Beijing, Cifeng, Zhuji, Shaoxing). In May 2018, the Assembly of the Photographic Association of Slovenia elected him as President of the Photographic Association of Slovenia (FZS). He was appointed Ambassador of the International Cultural Photographic Exchange in China, and he was also appointed the authorized representative of the IUP, ICS and PSA for Slovenia.

**Praprotnik Borko Stefi, EFIAP/d2, Slovenia**

was born in 1976 in Slovenj Gradec in Slovenia. She graduated on Veterinary faculty in Ljubljana and she works as a practitioner in clinic for companion animals. Her involvement in photography is quite short, from 2007. She is one of the founders of Photoclub Proportio divina in Gornja Radgona (2008), in which she contributes as a member of the board; since then she is engaged in photography very seriously. Her photographic development extends from travel, landscape and nature in the early stage of her creativity, to portraits, social photography and female nudes in last period. She has participated in over 300 group exhibitions in Slovenia and abroad and she has received more than 130 awards and distinctions. She has held 12 solo exhibitions. She was declared by Photographic Association of Slovenia (FZS) as the »Exhibitor of the year 2013« and author of »The best photography« in year 2012 and 2013. In year 2014 she was declared as a Master of photography by FZS and this year she was also classified as one of 20 best woman photographers on the Exhibition »Womens Photo Art in FIAP« held in Exhibition Centre in Montevarchi in Italy. In 2015 she was declared as Excellence FIAP platinum (EFIAP/p) by The International Federation of Photographic Art.

**Tomulic Aleksandar, EFIAP, Croatia**

Born in Rijeka (Croatia) in 1967. In 1991 receives a diploma from the University of Technology in Rijeka where he lives and works. Seriously involved with photography since 2004 although he was interested in taking pictures from childhood. The magic of the unrepeatable frozen moment fascinates him as does the feel for light, composition and the split second, although he personally prefers street photography and seaside motifs, and likes to experiment with abstractions. In year 2010 became Artist FIAP (AFIAP) and Excellence FIAP (EFIAP) in 2012. He is an active member of Fotoklub Color Rijeka and Fotoklub Pag. He had 15 one-man shows, participated in over 540 group shows and received over 400 awards out of which his 59 gold medals at FIAP and PSA salons in India, Netherlands, Portugal, Uganda, Guatemala, Bulgaria, Montenegro, Serbia and Croatia should be especially emphasized. He was a selector or a jury member at around 15 FIAP and PSA photo salons or other photo contests and was included by the Croatian Photo Association ten times in the national selection for FIAP Biennale. He has had photographs published in books, on book covers and catalogues as well as in photo magazines and calendars. Since 2013 he has worked also as an instructor in photography and giving classes and workshops.
