"MLADOST"

**Debevec Igor, EFIAP/d2, MPSA2, GPU CR5, Slovenia**

Igor Debevec comes from Slovenia. His first attempts in photography date back to 1980 and since then photography has become his way of seeing the world around us. For Igor, photography means passion and joy, with it he can stop time and create memories at the same time. It offers him own view of the world.

So far, he has exhibited in FIAP/PSA exhibitions in 80 countries and received 960 awards in 50 countries. He holds various photographic titles in eleven international organizations. In 2021, the Colleague Society International USA awarded him the title of GWP.ICS - Grand World Photographer ICS as the sixth photographer in the world. His photographs have been published in various international photographic almanacs, and he has exhibited in galleries in Skopje, Sarajevo, Durban (South Africa), Dhaka (Bangladesh), Colombo (Sri Lanka) and China (Guangzhou, Beijing, Cifeng, Zhujiajiao, Shaoxing). In May 2018, the Assembly of the Photographic Association of Slovenia elected him as President of the Photographic Association of Slovenia (FZS). He was appointed Ambassador of the International Cultural Photographic Exchange in China, and he was also appointed the authorized representative of the IUP, ICS and PSA for Slovenia.

**Milosevic Zoran, EFIAP, MF FSS, Serbia**

Born in 1957 in Cacak, Zoran Milosevic has participated in 482 national and international exhibitions where he received 152 awards. He had 11 solo exhibitions. Zoran has worked in the Historical Archive in Cacak since 1984. He is a founder and curator of "Salon fotografije", a photography gallery in Cacak since 1993 and a member of Photo Club Cacak. He was awarded the title of the highest artistic order MFFSS - Master of Photography of Photo Association Serbia, as well as the international title AFIAP (Artist FIAP)

**Retter Silvana, EFIAP, PPSA, GPU VIP2, Germany**

Silvana Retter is an Romanian/German National & International Award winning photographer and Jury, living in Germany. Educated in Journalism, she began her career as a news reader at a local TV station, in Romania.

She discovered her passion for photography back in 2006, when she bought her first Canon camera. Many of her pictures speak about the feelings and moods she felt during her trips over the last few years, also about the emotions of people she met and photographed.

Being an intuitive and spontaneous person, she like to convey warm feelings.

"I'd like for people to understand photography and its fine art – the mood, the emotion, the delicateness of a particular moment, the lighting, and the photographer's decision on how to frame it, to capture its essence."

"I don't shoot what it looks like, I shoot what it feels like."

Photographic Distinctions: EFIAP, EAAFR, GPU VIP-2, GPU CR.3, Art. AAAR, Hon.FPI, HFGNG, Hon.F TPAS, Hon. WPAI
