FIAP BLUE BADGE

Tommi Massimo, EFIAP/d3, GMPSA/g
Italy

Born in the province of Florence, I have dedicated my entire life to information technology aimed at the textile and clothing sector. Self-taught, I started shooting with an Olympus Om-1 manual SLR camera, bought in Australia, where I worked for a long time, and where my passion for photography was born.

Designing and developing software was of great help to me, in particular it facilitated the transition to digital, minimizing the difficulties in using the tools necessary for post production.

Since 2014 I have been registered with the G.F. IL Cupolone in Florence, where I shared my passion with established photographers, who have contributed through their experience to help me grow, and introduce me to National and International photographic competitions.

In 2016 I participated in the FIAP World Cup for Clubs, obtaining an important placement with the Bronze medal.

To date, I count over 2.000 national and international awards, in over 70 countries, the most important are listed below :

2016 - 3rd place in the World Cup for Clubs FIAP

2017 - 2 ° classified Tuscan author FIAF

2018 - 8 Blue FIAP Pin

2019 - 2nd place Skylife Turkish Airlines

2019 - 12 Blue FIAP Pin

2019 - 6 Best Absolute Author FIAF

2021 - Winner of the FIAP Club World Cup
