FIAP BLUE BADGE

Claudia Xiaoli LEE, AFIAP, SPSA
Taiwan

Claudia Lee took up photography about five years ago after her two children reached adulthood, and she had the luxury of time. She likes to travel, and was fascinated by the amazing photos travel magazines and websites. On average, she makes about four photography trips abroad each year.

Claudia Lee first participated in an international salon organised by Singapore Color Photographic Society in 2015. To her surprise, one of her four color images won a PSA Bronze Medal. That encouraged her to pursue photographic art seriously, and receive her Artiste Distinction from the International Federation of Photographic Art (AFIAP).

In 2016, she gained her Associateship of The Royal Photographic Society (ARPS), and was admitted to the Fellowship (FRPS) a year later. In early 2018, she was also successful in applying for the Silver Level of PSA's Portfolio Distinction (SPSA).

When asked about the type of photography she is interested, she said: "I like travelling, and am interested to portray a place and how its people go about their lives, as well as their cultures and heritage. Taking such photos allows me to learn more about photography, it also allows me to understand how fortunate I am, compare to the people I photographed in the remote lands"
